

Certificate of Conformity

for Organic Micro-Algae Products

Certificate N°: 23184

issued by CERES GmbH to:

Solarium Biotechnology S.A.
Planta La Huayca Km 27,5 ruta 665 camino a Pica
Serrano 145 Of 101, Iquique
Chile

This certificate covers the following products as complying to the private CERES' "Standard for Micro-Algae and Micro-Algae Products":

Product	Area (ha)	Quantity (estimate) (t/y)	Status
Spirulina powder (Stock from Harvest 2012-13)	3	1,5 ton	Organic
Spirulina powder (Harvest 2013-14)		3,5 ton	Organic

The certified entity also produces and processes conventional products: Spirulina Mater® (contains soy lecithin), Spirulina Mater® Omega 3 (contains vegetable DHA), Spirulina Spiral Spring® tablets (contains compression agents: silica and or vegetal oil).

Activities:

- Aquacultural production, Processing and Export / Trading.

According to Article 42 of the EU-Reg. 834/2007 "For ... micro algae, where detailed production rules are not laid down, rules provided for labelling in Article 23... apply", meaning that the above listed products may be labelled e.g. as "Organic according to private production rules of CERES, Germany". The above mentioned private CERES standard for micro algae has been nationally accepted. Be informed that products under this certificate may be imported into the EU only with a regular marketing authorisation according to EU-Reg. 834/2007, Art. 33(2) or Art. 33(3) or Commission Reg. (EC) 1235/2008, Art. 19.

Happurg, May 21, 2014

Ursula Schulz CERES GmbH

Date of last inspection: July 30, 2013

Certificate expires for all activities: July 31, 2014

The CERES certifier code **CL-BIO-604** must be used on all labels, delivery notes, invoices and other relevant documents related to organic sales.

CERES authorises the above mentioned operator to use the CERES seal on the products specified above. The CERES Seal is property of CERES GmbH, Happurg, Germany. Note that this certificate applies only to the mode of production and not to any other aspect of product quality (4.8.10e v171210)
